After nearly five years, a Danish Minister has been nominated to Hungary. The Danish Minister to Czechoslovakia, Dons MÖLLER, is as of now, also Minister to BUDAPEST.

The post of Danish Minister to BUDAPEST has, for many years been connected with the post in WARSAW. Five years ago, when the present Danish Ambassador in the HAGUE, EICKHOFF, was transferred to Holland, the Danish Foreign Ministry effected a reorganization of its legation in Poland, and in consequence no new minister was appointed to BUDAPEST.

End.
