

HUNGARIAN PRESS--About 250 Hungarian papers are now published in Hungary. There are 21 daily and political papers. Technical and scientific papers are the most numerous. There are 25 periodicals dealing with technical sciences, 15 agricultural periodicals, and 21 journals and periodicals dealing with medical science. Six sport papers are published along with several youth humorous periodicals. Women have a special weekly magazine, and periodicals are published for foreign visitors, hunters, and photographers. Every branch of science and churches also have their periodicals. People can buy several picture periodicals and about 230 foreign papers. (Budapest, Hungarian, Nov. 24, 1957, 1900 GMT--L)
