

ASSEMBLY OF CAPTIVE EUROPEAN NATIONS

29 WEST 57th STREET

New York 19, New York

PLaza 1-3850

September 29, 1958

Your Excellency:

We have the honor to present Volume II of HUNGARY UNDER SOVIET RULE, a supplement to the report which we submitted to you and to the various national delegations to the United Nations a year ago, during the Special Emergency Session of the General Assembly on Hungary, in September 1957.

In undertaking this project we were prompted by our conviction that a comprehensive and accurate survey of developments in Hungary during the past year would fill a gap in the information available to the United Nations Secretariat, to the United Nations Special Committee on the Problem of Hungary and to delegations to the United Nations. We felt that in making the result of our efforts available at this time we would render a positive contribution to the debates which are scheduled to take place on this subject in the Thirteenth General Assembly of the United Nations.

We respectfully call Your Excellency's attention to the Introduction, in which we express the recommendations of our two organizations as to the action the Assembly should take, and our reasons for them. We strongly believe that the least the Assembly should do is to withdraw its recognition of the delegation of the puppet regime of Hungary.

Respectfully yours,

Christopher Emmet
